EXPERIENCIA

Men are wise in proportion, not to their experience, but to their capacity for experience.
George Bernard Shaw

Experience taught me a few things. One is to listen to your gut, no matter how good something sounds on paper. The second is that you're generally better off sticking with what you know. And the third is that sometimes your best investments are the ones you don't make.
Donald Trump

I don't want men of experience working for me. The experienced man is always telling me why something can't be done. He is smart; he is intelligent; he thinks he knows the answers. The fellow who has not had any experience is so dumb he doesn't know a thing can't be done - and he goes ahead and does it.

Proverbio turco

La Gente que me Gusta

Primero que todo, me gusta la gente que vibra, que no hay que empujarla, que no hay que decirle que haga las cosas, sino que sabe lo que hay que hacer y lo hace en menos tiempo de lo esperado. Me gusta la gente con capacidad para medir las consecuencias de sus actuaciones y no deja las soluciones al azar. Me gusta la gente exigente con su gente y consigo misma, pero que no pierde de vista que somos humanos y que nos podemos equivocar.

Me gusta la gente que piensa que trabajar en equipo, entre amigos, produce más que si lo hiciera individualmente. Me gusta la gente que sabe de la importancia de la alegría. Me gusta la gente sincera y franca, capaz de oponerse con argumentos serenos y razonados a las decisiones que sienten que les lastiman.

Me gusta la gente de criterio. La gente que medita. La que no se avergüenza de reconocer que no sabe algo o que se equivocó. La gente que al aceptar sus errores, se esfuerza genuinamente por no volver a cometerlos.

Me gusta la gente capaz de criticar constructivamente. A éstos los llamo mis amigos. Me gusta la gente fiel y persistente, la que no desfallece cuando de alcanzar objetivos e ideales se trata. Me gusta la gente de garra que entiende los obstáculos como un reto. Me gusta la gente que trabaja en busca de resultados.

Plan Estratégico 1995-1999

The acquisition of practical skill is the major objective. A student who has learned to milk a cow, to make good butter and cheese, to feed pigs properly, to run a tractor, to protect his soil from erosion by planting on contours, to graft and prune a fruit tree, to grow potatoes, will never forget how to do these things as long as he lives. On the other hand, the student who "crams" for a theoretical examination may forget what he has memorized in a few days.

Wilson Popenoe

Un zamorano debe ser una persona responsable y trabajadora, con una fuerza de voluntad - y cierta dosis de estoicismo y humor - que le permita encarar eficientemente y sin decaer, los problemas que se le pueden presentar. O en otras palabras: debe ser capaz de reírse de sus problemas y al mismo tiempo tomarlos en serio, cumpliendo sus responsabilidades a cabalidad. Si se le cae el techo, lo apuntala con escobas, pero no sale corriendo. No se queja de sus apuros y en lo posible trata de ser independiente, pues procura no requerir de otras personas para resolver problemas que por si solo puede solucionar.
