

ESCUELA AGRICOLA PANAMERICANA
TEGUCIGALPA HONDURAS

NEWSLETTER - August 1958. We are now approaching the end of the first semester. During the week of September 29th we have no classes, but do have supervised study periods in preparation for the exam week which follows. During these two weeks, we have arranged to send our professors out to towns in eleven countries to give our entrance examination to prospective new students in 1959. These professors will all have had practice giving the examinations, and we expect to have a large turn-out for them. Here is the schedule which, we hope you will publicize among your friends who know of boys who will qualify. To take the competitive examination, the boy must appear with:

- 1) proof that he was born between March 15, 1938 and March 15, 1941.
- 2) proof that he has graduated from high school or is in his last year of high school.
- 3) two passport size pictures.
